This schedule is subject to change						

- Evening competitive play is for annual members and daily Liberty residents only with identification.
- **Competitive Play** is intended for all players with advanced skills who want to play full court basketball games with rotational participation.
- **Recreational Play** is intended for all players who want to play shoot-around basketball games, practice fundamental skills, play friendly half-court games, or just shoot baskets.
No full court games permitted during this time.
- See rules posted in the gym for additional details on competitive and recreational play.
